Kitty Harbor's goal is to have every cat/kitten fully vetted prior to adoption. If, for whatever reason, the animal has not been fully vetted (spay/neuter, etc.) at time of adoption - contact us at 860-376-9062 to schedule needed vetting.

Kitty Harbor reserves the right to retrieve any cat and/or kitten, if said cat and/or kitten is found to be outside or has been declawed. Additionally, if an adoption is unsuccessful, for whatever reason, Kitty Harbor will take the animal back.

Kitty Harbor is sometimes required to share an adopter's information to foundations and companies that support the sanctuary with discounted food, supplies and other donations to continue its mission.
